| Important Questions | Answers | Why This Matters: |
|--|---|--|
| <u>What is the overall deductible?</u> | \$500 Single/\$1,000 Family For all networks | Generally, you must pay all the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> . |
| <u>Are there services covered before you meet your deductible?</u> | Yes. Primary care and <u>specialist</u> visits, <u>preventive services</u> , diagnostics, urgent care and <u>prescriptions</u> are covered before you meet your <u>deductible</u> . | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ |
| <u>Are there other deductibles for specific services?</u> | No. | You don't have to meet <u>deductibles</u> for specific services. |
| <u>What is the out-of-pocket limit for this plan?</u> | \$3,000 Single/\$6,000 Family For all networks | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met. |
| <u>What is not included in the out-of-pocket limit?</u> | Penalties, <u>premiums</u> , <u>balance billing</u> charges, amounts in excess of the Referenced Based Price and health care this <u>plan</u> doesn't cover. | Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> . |
| <u>Will you pay less if you use a network provider?</u> | Yes. For a list of practitioner and ancillary network providers, please go to www.hstconnect.com or call 800.440.7427 | This <u>plan</u> uses a <u>provider network</u> for practitioner and ancillary providers only. However, physician and ancillary claims priced at the <u>out-of-network</u> level will be sent to HST for pricing at the <u>in-network</u> level. You can receive covered services from any <u>provider</u> . |
| <u>Do you need a referral to see a specialist?</u> | No. | You can see the <u>specialist</u> you choose without a <u>referral</u> . |

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
